Renewed appeal on missing man, one month after his disappearance

Police are renewing their appeal for information on a missing man, one month on from the date he was last seen.

Marcus George, 74, was known to have travelled to France on Tuesday 26 June, via a DFDS ferry from Dover. He has not been seen or heard from since that day.

He was travelling with a 34-year-old friend in a black Audi with the registration MF02 LCV.

The friend Marcus travelled with reported him missing after they returned to the UK and was unable to get hold of Marcus, who remained in France. It is possible he has subsequently returned.

The vehicle [black Audi] is also missing.

Marcus is described as a slim black man with a Caribbean background, 5ft 7ins tall, with short black hair.

He has links to Tottenham and Edmonton, as well as connections with Wales.

His family and officers are growing increasingly concerned for his safety and would urge anyone with information, or Marcus himself if he is able to do so, to contact police via 101 or Missing People on 116000.
